About me

I'm a curious and a quick learner, who has hard skills on frontend development tools and technologies. I feel proud and responsible for what I deliver.
Also, I majored soft skills such as clarity, positiveness, being empathetic and adaptability by virtue of philosophy education. These skills pave the way for me to be a decent team member.

Education

Master of Arts / Bogazici University - Philosophy Istanbul, Turkey
From September 2017 to June 2020
